## REMOTE ACCESS TO SCIENCE DIRECT JOURNALS

The Vankatram Learning Centre (Central Library) is happy to share that Science Direct has given remote access to their 395 journals which can be accessed from your homes. Registration for this can be processed only through college mail ID.

Please follow the simple steps given below:

**ScienceDirect® Activate Remote access**

Remote access activation involves two elements:

1. Create a user profile
2. Activate your remote access

1. Create a user profile (if you already have a user profile please skip to step 2.)

1. Open the ScienceDirect website [www.sciencedirect.com](http://www.sciencedirect.com)
2. Click Register (top right)
3. Enter details required and then click Create.

2. Activate your remote access

- a. Open the activate access page by clicking [www.sciencedirect.com/science/activateaccess](http://www.sciencedirect.com/science/activateaccess)
- b. Enter your company e-mail address and click continue. A confirmation email will be sent.
- c. Open the email and click the link to activate remote access
- d. Enter Username and password and click sign in

3. You will now be able to access Science Direct from any device. Just open your browser, go to [www.sciencedirect.com](http://www.sciencedirect.com) and login with your e-mail address and password.

## #1 IT | RETHINKING IoT BY TEXAS UNIVERSITY, USA

Faculty members from the Department of Information Technology attended the webinar on “Rethinking IoT” on 26.04.2020. The session speaker was Mr.Aman Bahl, Senior Software Developer, Walmart Labs, M.S, Texas University.

## #2 S&H |SPEAKING SKILLS BY CAMBRIDGE

**The Four Principles**

1. Lighten the cognitive load
2. Keep it simple!
3. Provide opportunities for interaction and personalisation
4. Give feedback

**Current challenges**

- Setting up activities
- Managing interaction between students
- Monitoring
- Getting through lesson plans and fulfilling aims
- Keeping students motivated
- Managing feedback
- Checking progress
- Knowing which apps/tools to use

**4. Give feedback**

- Find ways to give meaningful feedback
- Encourage peer feedback
- Self assessment
- Make time for students to ask questions

**Help your students feel relaxed and confident**

Encourage students to talk to each other as they join the online lesson.

Display:

- questions
- a picture
- a gif
- a meme

**1. Lighten the cognitive load**

- Empathise with your students
- Scaffold activities
- Vary length of interactions
- Include **written** on the board as well as spoken instructions

**Scaffold lessons to support skills**

Listen carefully to my description. Draw a picture of what you hear.

**Personalise and motivate**

Make a recording and send it to a classmate or teacher.

**Cambridge Assessment English Certificate of Attendance**

This is to certify that  
**ANITHA T.**

## #4 ECE | WEBINAR ON TAKE BACK CONTROL OF YOUR DNS TRAFFIC

Faculty members of ECE Department attended a webinar on “**Take Back Control of Your DNS Traffic**”. Resource person: Mr. Abhijeet Nakhate, Solution Architect - Cyber Security, Palo Alto Networks.

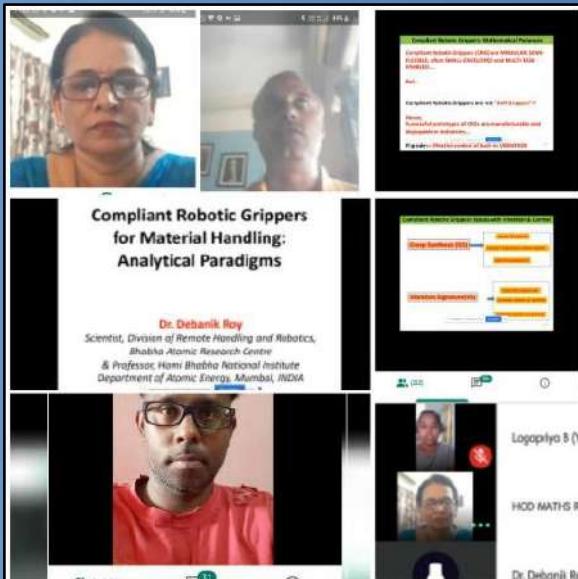

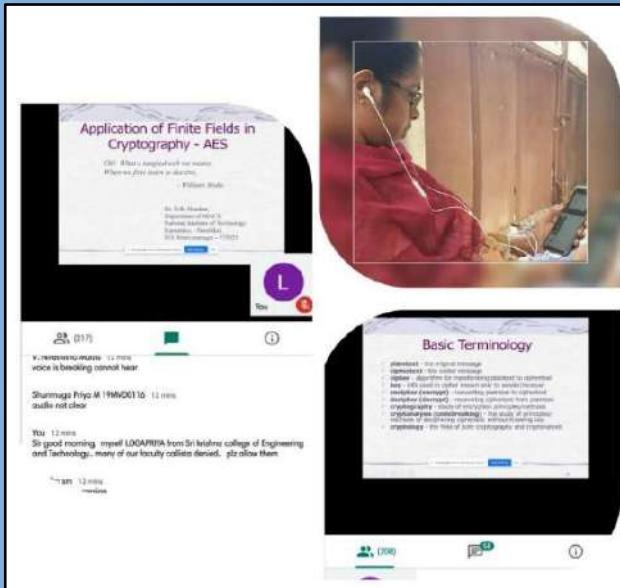

## #5 S&amp;H | MATHEMATICS OF INDUSTRY 4.0

What we learned about  
Maximum Likelihood Estimation (MLE) ?

The **likelihood** of the observed data, given the model parameters  $\Theta$ , as the **conditional probability** that the model,  $M$ , with parameters

$\Theta$ , produces  $x[1], \dots, x[n]$

$$L(\Theta) = \Pr(x[1], \dots, x[n] \mid \Theta, M),$$

Faculty members of **Science and Humanities** Department attended 3 days Online Lecture Series on ‘**Mathematics of Industry 4.0**’ from 27.4.2020 29.04.2020 organized by **SRM Institute of Science and Technology**, Chennai. **Dr.D.Dutta**, Former Scientist, BARC Mumbai was the resource person.
